

RACING TACHS & SHIFT LIGHTS

www.riveraprimo.com

For race or hot street applications, **Rivera Primo** offers the complete line of Pro-Cycle[®] racing tachometers. The newest standard in tachometers for V-twin motorcycle riders who need accurate information about motor rpm! These 8000 & 10000 rpm tachometers are compatible with most Harley[®] ignition systems, aftermarket or oem. Available in two sizes, 3-3/8 inches in diameter, or 5 inches in diameter for optimum viewing. Auto Meter[®] tachometers are available with or without memory recall. Memory recall models have the control switch mounted directly on the bracket, providing quick, easy access, without impairing visibility.

- 3096-0012** . 8,000 Rpm, 3-3/8", water resistant, 1 & 2 pulse
- 3096-0013** . 10,000 Rpm, 5", water resistant, 1 & 2 pulse
- 3096-0014** . 10,000 Rpm, 5", shift-lite, 1 & 2 pulse
- 3095-0001** . Mounting bracket

3-3/8" Diameter Racing Tachometers W/Chrome Bezels

Racing technology teams-up with chrome for the custom street fighter. Chrome don't get ya home, but it does look good on these functional racing tachometers from Auto meter[®]. Pro Cycle[®] tachs are seen on virtually every winning race bike at drag-strips & road racing tracks! These chrome beauties are for street performance motorcycles that want to look their best while out-running the competition! The 3-3/8" diameter 8,000 rpm tach face makes for easy reading even under stressful street-riding conditions, and their water-resistant construction won't let you down in the rain!

- 3096-0005** . 8000 Rpm chrome tach (black face)
- 3096-0006** . 8000 Rpm chrome tach (white face)
- 3096-0007** . 8000 Rpm chrome tach (silver face)
